

Cengage Infuse puts Cengage content directly in Brightspace®. You can select, edit, and assign the content that fits your class. Students complete reading assignments, concept checks, and end-of-chapter quizzes without leaving Brightspace.

Cengage Infuse

Cengage Infuse is available for:

- Blackboard® Partner Integration
- Blackboard LTI Advantage
- Brightspace Partner Integration
- Brightspace LTI Advantage
- Canvas™ Partner Integration
- Sakai®

Easy Setup

Simply add Cengage Infuse reading and assignments to your LMS course and use the LMS to manage your grades—no syncing required.

Custom Content

Only include the material that's right for your course. You can edit pre-made assignments to:

- Delete questions
- Rewrite questions and multiple-choice answers
- Add or delete multiple-choice answers
- Give feedback on each question and possible answer

Instant Grading

Students see their results after submitting concept checks and end-of-chapter quizzes.

eBook and Study Tools

Access your eBook and study tools any time through your Cengage account at login.cengage.com.

Add Cengage Infuse Content

Assignment types

Reading assignment

A section of the book for students to read.

Concept check

A quick activity that checks if students have completed assigned readings.

Quiz

A longer activity that assesses students' understanding of an entire chapter.

Note

You can return to the Cengage tool at any point to add more content.

- 1 Open your Brightspace course.
- 2 Open the Course Builder tool.
In the Content tab, click **Related Tools > Course Builder**.
- 3 If you have not already done so, create a module in your course.
 - a Drag  from **Build Outline** to the course outline.
 - b Enter a name for your module, such as Cengage Infuse.
 - c Click **Create**.
- 4 Drag  from **Add Content** to your module.
- 5 If prompted, sign in to your Cengage account.
- 6 Click **Add Cengage Infuse**.
- 7 Search for your textbook in the search bar.
- 8 Click **Link to Course** next to your textbook.
- 9 Complete the details for your Brightspace course.
- 10 Click **Continue**.
- 11 Select content to include in your course and Brightspace gradebook.
You can return to add more content at any point during your course.
- 12 **OPTIONAL:** To preview an assignment, click .
The assignment opens in a new tab.
- 13 Click **Continue**.
- 14 Set how many attempts students have for each type of Cengage Infuse assignment.
- 15 Click **Save**.

Edit Questions

Remove unwanted questions, rewrite questions to better meet your students' needs, and reinforce learning with customized feedback.

- 1 Click an activity link to open the assignment editor.
- 2 To edit a question, click  **Edit**.

To do this	Do this
