

If available, you and your students can access WebAssign assignments from CanvasTM.

SUPPORTED COURSE/SECTION MODELS

While multiple Canvas sections can be associated with the same WebAssign section, *each Canvas course must be associated with only one WebAssign section.*

ADD A WEBASSIGN LOGIN TOOL (BASIC INTEGRATION DETAILS)

1. In Canvas, navigate to your course.
2. Click **Settings**.
3. Open the **Apps** tab and click **View App Configurations**.
4. Click **+ App**.
5. Enter the required information.

NOTE See class-specific instructions on the Class Settings page.

6. Click **Submit**.
7. Click **Modules** and find the module to which you want to add the link.
If needed, click **+ Module** and add a new module named WebAssign.
8. Click **+** and specify the item details.
 - a. Select **External Tool** from the **Add** menu.
After a few seconds, the course app you just created is listed.
 - b. Click your course app.
The **URL** and **Page Name** fields are filled in.
 - c. Select **Load in a new tab**.
 - d. **OPTIONAL:** Set the tool display **Indentation**.
 - e. Click **Add Item**.
9. To make the link available to your students, click for both the tool and the module you created.
The icon is now

WebAssign is now integrated into your Canvas course and the link to WebAssign is displayed to your students within Canvas.

ACCESS WEBASSIGN FROM CANVAS

If enabled, you can open WebAssign from your Canvas class.

NOTE

- You can't open Canvas from WebAssign.
- Don't sign in to WebAssign when viewing your Canvas course as a student using Student View. If needed, create a separate student account to use for testing purposes.

1. Sign in to Canvas and navigate to your class.
2. Click the WebAssign tool.
3. **FIRST TIME ONLY:** Link your WebAssign and Canvas accounts.

TRANSFER A STUDENT

Student drops and transfers in Canvas are not synced to WebAssign. Transfer students between sections in WebAssign before transferring them in Canvas.

If you transfer a student first in Canvas, you might not be able to transfer their work in WebAssign.

TROUBLESHOOTING

CANVAS LINK NOT SHOWN

In order for the link to be displayed, WebAssign must first enable Canvas integration for your school.

To request the Canvas integration be set up, contact your Cengage representative. If needed, you can find your Cengage representative at cengage.com/repfinder.

Include the following information:

- your school
- the learning management system (Canvas) you want to enable
- your WebAssign username

NOTE Always follow your institution's IT guidelines for requesting new external tools.

After the integration has been configured, the link will be displayed.
